

Our Recommendations for You

Things to Do and See - Park Regis North Quay, Brisbane

Story Bridge	Located opposite the hotel and named after John Douglas Story, Brisbane's Story Bridge links the inner city suburbs of Fortitude Valley and Kangaroo Point. Have a picnic or BBQ under the bridge at Captain Burke Park or eat out at the historic Story Bridge Hotel. For the more adventurous take a climb over the bridge itself with Story Bridge Adventure Climb.
Mt Coot-tha Lookout	Take the short drive up to the top of Mt Coot-tha to get a view of the whole of Brisbane city. You'll see the curves of the river, the lines of the freeway and the skyline of the CBD. Plus, on a clear day, you can see south-west to the distant ranges, east towards Moreton Bay and miles in every other direction. Enjoy the facilities of a cafe, restaurant and lookout at the top.
Shopping	Just a short walk from the hotel, located in the heart of the city, Queen Street Mall and its nearby surrounds is Queensland's premier shopping destination and the perfect place to 'let loose'. With over 26 million visitors a year, the open plan, half a kilometre long Queen Street Mall has five major shopping centres, two department stores and four shopping arcades to explore and shop to your heart's content.
Botanic Gardens	Visitors will see the exotic and gorgeous plants that flourish in Brisbanes' sub-tropical climate. The City Botanic Gardens are in a fabulous spot beside the river (and an easy walk from the busy CBD). Make sure you don't miss a walk through the mangroves on the boardwalk.
Roma Street Parklands	Take a short stroll to Roma Street Parkland to experience the themed gardens such as the topiary maze, rainforest walk, lake, celebration lawn and amphitheatre. There are many public artworks to admire and a good cafe too.
Moreton Bay	Moreton Bay is huge! If you have a couple of days available, take a trip to Stradbroke Island or Moreton Island. On Moreton Island you can feed wild dolphins at Tangalooma Wild Dolphin Resort. If you don't have enough time to go to an island, why not sit beside the bay when you visit the lovely bayside areas of Sandgate, Wynnum or Cleveland?
A trip on the river	Even locals love to get out on the Brisbane River and it's so easy and cheap to do with a journey on the CityCat. Take a cruise up and down the river, stopping where ever you like along the way – South Bank, University of Queensland, New Farm. The CityCats glide over the water and you'll see multi-million-dollar houses, parks and the city centre. Travel under the Story Bridge and get a whole new perspective.
Lone Pine Koala Sanctuary	Visitors from overseas (and even those that aren't) will just love the abundant and easily seen Australian wildlife at Lone Pine Koala Sanctuary. Hold a koala, feed a kangaroo, hear a talk about the reptiles – it all makes for a great day out. There's no need to leave the city to experience Australia's amazing animals.
The Cultural Centre	Discover Queensland's arts and theatre at the Cultural Centre, South Bank. Spend time admiring Australian and international artworks and exhibitions at the Queensland Art Gallery and Gallery of Modern Art. The Queensland Museum is an exciting way to learn about natural history, cultural history and science and the Sciencentre is especially popular with the kids.
South Bank	Visitors and locals enjoy South Bank's sandy beach, the open grassy picnic spots, the shops and dozens of eating places. There are cinemas, free live entertainment and many festivals and fireworks throughout the year.
