Things to Do and See - Park Regis Kris Kin, Dubai

Hop On Hop Off Bus Tour

Your open-top tour reveals Dubai's landmarks and charts the city's rapid development from a small fishing village to a modern, vibrant city. On the Day Tour, you can choose a 24 or 48 hour ticket and enjoy free inclusions such as the Dhow River Cruise and Dubai Museum. Both Day Tour routes provide a personal recorded commentary available in eight languages. For more information please visit: www.viator.com

Beaches

Dubai has a number of beautiful beaches like famous Palm Beach and Jumeirah Beach in Dubai, beach parks offering a wide range of recreational and entertainment facilities in resorts to its visitors. The year round sunshine and excellent soft sandy beaches along the coast are ideal for relaxing, lazing or sun bathing.

Golf

Golf is an obsession in Dubai. You can head to the city's most famous course, the Emirates Golf Club, which hosts the annual Dubai Desert Classic. Almost as impressive is the Dubai Creek Golf and Yacht Club, which boasts a challenging par-72 course along with a fun "pitch 'n' putt" course, plus an impressive clubhouse whose architecture echoes that of the Sydney Opera House.

Shopping

Dubai is a shopaholics paradise, with local and international brands on offer, and sometimes at heavily discounted prices. Pick your mall depending on what you are looking for, but be sure to check out the Mall of the Emirates at least once during your trip, just for its huge size.

Skiing

Ski Dubai is the first indoor ski resort in the Middle East and offers an amazing snow setting to enjoy skiing, snowboarding and tobogganing or just playing in the snow. Young or old, there is something for everyone, from the beginner to the snow sport enthusiast. Ski Dubai is a unique mountain-themed attraction that offers you the opportunity to enjoy real snow in Dubai all year round.

Dining

Dubai has a fantastic assortment of international-standard restaurants catering to all budgets and tastes. With a large expatriate community from the Sub Continent, it's little wonder there are some truly world-class Indian restaurants among the top-billings. As Dubai is a Muslim city, many restaurants, especially at the cheaper end of the market, are not licensed to serve alcohol. In contrast, restaurants in tourist and business hotels almost always serve alcohol.

Sightseeing

Dubai is home to an appealing variety of historic buildings, museums, and interesting sight-seeing opportunities. Stroll through Dubai's sights on your own, or take a more organized approach to your Dubai sightseeing by checking on local tours.
